

New Law in Effect as of April 22, 2010

Are You in Compliance?

Buy “DANGER LEAD HAZARD” Tape

- **Presco** is ready to help you with your next construction and/or renovation project!
- Under the new EPA rule, which became in effect April 22, 2010; contractors performing renovation, repair and painting projects that disturb lead-based paint in homes, child care facilities, and schools built before 1978 **must be certified and must follow specific work practices to prevent lead contamination.** (See <http://www.epa.gov/lead/pubs/renovaterightbrochure.pdf> for details.)
 - One of those practices, explicitly **requires the use of warning tape/signage** on the job site.
