

Brand New Technology! Presco Day/Night Visibility Barricade Tape is formulated with an exclusive nighttime visibility silver ink that is combined with our superior co-extruded polyethylene film to provide a cost-effective and disposable solution to your customer's nighttime needs. In the dark, when a beam of light is directed at the legend, light bounces back towards the source for enhanced nighttime visibility. Call us to search our extensive legend list or allow us to assist you in the creation of your own!
