

The Presco Flag Display is the first display ever designed to hold marking flags. The display can hold over 9,000 flags with a minimal footprint of just 16" x 21 1/4". The display is made of 18 gauge steel and its powder coated finish is scratch resistant. Additional display accessories can be mounted to either side of the display. Form holder is included.

Holds 9,000+ Marking Flags

Small Footprint

Scratch-Resistant, Black Finish
