

Just like the Presco Flag Display the Presco Tape Display is a 1st of its kind. The display accommodates a large combination of various sized Presco barricade tapes, under-ground tapes and adhesive tapes. Each display comes with a removable PVC signboard with professional graphics. The small footprint of 18 1/2" x 21" will take up little show room floor space. Additional display accessories can be mounted to either side of the display.
