*Dear Waymon,*

*As we move forward into the fourth year of our relationship, we at Congoleum would like to commend you for the outstanding job you have done.*

*Over that period you have become our primary supplier of PVC film overlay. That position has been earned by the quality of your products.*

*Of equal importance is how that quality film is an extension of the fine Precision people who are responsible for it. They are always cooperative and able to meet our needs promptly.*

*You and your people have earned our trust. We look forward to a long and mutually beneficial relationship.*

*Best regards,*
