Mr. Waymon E. McMackin  
President  
Precision Specialties Company  
301 N. Montgomery  
Sherman, TX 75090

Dear Waymon:

It is my pleasure to give you and Precision Specialties an endorsement. The improvement we have experienced in our hose manufacturing operation would not have been possible without your innovative product and good service.

You and all the fine people at your company work with us, when our schedules abruptly change. You provide great service and a quality product, that improves our materials flow and efficiency. You custom formulated the film to help increase our manufacturing rates. In short, you are an excellent vendor. I look forward to our continued association in the future.

Sincerely,
